

BALANCERS

BF	1.4 - 10.9 kg
3.0 - 24.0 lb	BALANCERS

- Heavy-duty, long-life spring for lasting performance
- Automatic lock prevents load from falling if spring loses tension
- Snap-type tool clip for simplified attachment and removal
- Forged steel 360° swivel hanger
- High-impact composite housing for extra durability
- Ratchet lock (on BFL models) holds cable at desired position
- Shackle design instead of hook and spring clip provides extra-secure mounting
- 3/32" diameter stranded galvanized steel cable

BF Balancers

model	weight range (kg)	travel (m)	weight range (lb)	travel (ft)
BF6	1.4 - 2.7	2.0	3.0 - 6.0	6.6
